THE CONEXT® VISA® PREPAID CARD IS HERE

Throughout history, Americans have transformed the face of the world with our ingenuity. We put vehicles on the road; We were the first to fly, and the first to the moon; We've conquered the highest mountains and continue to innovate and lead. Now, Mercury Service Group takes the lead and brings same day availability of funds to small businesses.* That's right! You can have fast and real-time access to your funds so you can move your businesses forward, faster.

Someone had to do it, so we did. The CONEXT® Card is here, and it's revolutionizing the way business owners think about their money.

*Terms and conditions apply see cardholder agreement.

Nobody knows how to manage your business' money better than you – the business owner. With the CONEXT® Visa® Prepaid Card, you can have the funds that you need in order to move your business forward. Just load the card, and your funds are available in real time, same as loading cash. It's time for businesses to experience an unrivaled level of control and access never offered before.

Early pay opportunities, necessary supplies, unexpected expenses – these realities of running a business cannot wait. Business owners will always have a headache over some unexpected problem, but control and access to their funds shouldn't be one of them. The CONEXT® Card allows owners tangible access to their funds with transparency, and in real time. No hidden fees, and no surprises.*

*For a complete list of fees, see cardholder agreement.

PRIMARY Card

Your Prime card is an all access pass. The principal card status gives you complete control over your funds. Monitor & limit key employees' spending, view statements online, transfer funds between cards – you can do it all with your Prime card.
